Oct 7, 2014 I own Snooker table, actually just One, My Table in the livingroom, and I own a lot of snooker balls, I love this game. Working closely with Michaela Tabb, the world's most famous snooker . The Full game, and compatible with PC, Linux, Mac, And Mobile. Realy really is the most realistic snooker game to get on any platform. Download the game from the official website www.intsnooker.com and the developers have given a full 32-bit download of the game. May 20, 2019 My favourite game, the game is incredibly well made, the graphics are also great and the physics of the cue really feel like they are in a snooker court. Dec 2, 2012 International Snooker 2012 is a stunningly realistic snooker game. It focuses on the working relationship between the two adversaries (player and cue ball). It is constantly in the player's mind, the pressure increases with each carefully played shot. It is a must buy. You can never get enough of snooker when you play the game. Jan 9, 2017 It is the most realistic snooker game to get on any gaming platform, working closely with the worlds most famous snooker . Apr 11, 2017 i am prety sure this game has an official release date of 16th april 2017. The most realistic snooker game to get on any platform, working closely with the worlds most famous snooker . International Snooker is a thrilling game packed with innovative game design features. The game presents players with the opportunity to compete with 14 of the world's famous snooker players, including Scotty, Jimmy and Ronnie. International Snooker is the only snooker game where the players are forced to compete with each other. The player is compelled to increase the pressure. International Snooker has the ultimate snooker game experience, as it has all the attributes and features of a real world game. Feb 14, 2019 A game of pure skill that begs to be played. Features Include: - supports tournament mode - 12 professional players - realistic cue ball physics - five game modes - online and offline multiplayer - 50 different cues - multiplayer two players tournament is the best thing to play. - tricks and animations when the ball hits

Gameplay The interface is predominated by a wide sideways moving car cursor with clickable buttons to navigate menus such as Snooker tables and their statistics. Legacy International Snooker is a computer game written by Big Head Games Ltd and released by Big Head Games Studio on 6th January 2013. External links International Snooker 2012 game overview Snooker Category:Snooker video games Category:Video games developed in the United Kingdom Category:Windows games Category:Windows-only games Category:2013 video gamesQ: why.addClass() not work with radio buttons I was trying to give a different background-color to radio buttons. I was trying to use the following code and the change of the color does not happen. And I don't understand why. \$(input[type=radio]).change(function () { var id = \$("#profile_background_image option:selected").val(); \$("#profile_background_image").addClass("bg-primary"); }); 570a2141b
